Premier League for Sport wins top award

The Premier League for Sport Project was awarded the Sports Coach UK award for the coaching intervention of the year. The project is running across the country with past and present premier league football clubs. In the North East we have 3 PL4S projects running – Newcastle, Sunderland and Middlesbrough. The project has allowed those clubs involved to develop coaches and increase their workforce. Well done to all involved and keep up the hard work!

Register now for London 2012

Register your interest for tickets now at the London 2012 Ticketing website. Here you will find all the information you need to know about how you can register your interest, allocation of tickets and purchasing them when they become available in 2012.
